## Work Experience

Well done to our Year 10 students who have completed their work experience this week. I have enjoyed visiting our students on placement and the feedback has been wonderful. The supervising adults reported how hardworking, independent, polite and helpful the students have been. The students themselves have been given various responsibilities and taken part in a range of tasks, which showed the businesses had confidence in our students.

## Science Revision Sessions

Following the positive feedback after last week's revision sessions, Mrs Crane will be offering further sessions from 8am on the following days for Year 11:

**Tuesday 2<sup>nd</sup> June – Physics**

**Monday 8<sup>th</sup> June – Biology**

**Monday 15<sup>th</sup> June – Physics**

These sessions are optional.

## Uniform

When we return after half term, please remember that all primary girls should be wearing their summer dresses. Mrs Rowe has plenty in stock should pupils require new uniform.

## Speech Day

Please can we ask that students return trophies from last year after the half term break so that we can prepare for Speech Day in July.

## Heligan

Years 7,8 & 9 have visited The Lost Gardens of Heligan today. We began the day by being beaver detectives and exploring the area for signs of the beavers from footprints to chewed trees and of course the dam and lodge they have created. We then explored the gardens before exploring the history of Heligan and the impact of WW1 on the people who worked there. We finished the day by exploring the amazing adventure playground. The pupils were amazing and we had wonderful feedback from members of public who were impressed by how polite, kind and well behaved our students are.

## Newspapers

Mrs Pochee would appreciate donations of newspapers to use in the Art Room. If you have any papers which can be recycled into interesting art projects, we would be very grateful. Donations should be taken to the office.

## Go Ride Event

Selected students from Year 5 & 6 will be attending the Go Ride event at Carn Brea on Tuesday 2<sup>nd</sup> June. This is a new event and we are looking forward to participating.

## Friends' Meeting

As we approach the last half term of this school year, we are making arrangements for the Summer Fair. There will be a meeting after school at 3.45pm on Thursday 4<sup>th</sup> June so that we can begin to plan this year's event.

## School Lunches

When we return on June 1<sup>st</sup> we will be starting on week 2 of the school lunch menu.
