Summer Fair-Wednesday 8th July

Thank you to those who attended the Friends' meeting this week. We have finalised plans for the Summer Fair which will begin at 2pm. We will have a number of stalls and games.

We would appreciate your support to gather the following items:

- Bottles for the bottle tombola (wine, bubble bath, soft drinks, sauce etc)
- Jam Jars -filled with sweets and toys for children's tombola
- Handmade items for the craft stall
- Goodies for the cake sale (not until the day)
- Plants for the plant stall
- Toys, games and books.

Speech Day

We would be grateful for the return of all of last year's trophies ASAP so we can prepare for this year's Speech Day. Commemorative medals will be handed out in exchange.

Badges

Please could we ask parents and pupils to check at home for the small enamel badges which are given out for secondary celebrations. We have a large number of these missing and would appreciate their return.

Online Safety Meeting for Parents

Ms Huthnance is holding an online safety meeting next Thursday 11th June in the hall at 3.45pm. The topics covered will be:

- **Current online risks and trends affecting children and young people**
- **Social media, messaging apps and online communication**
- **Screen time and its impact on wellbeing**
- **Gaming and online communities**
- **Supporting children's mental health in a digital world**
- **Practical ways to manage technology use at home**
- **Parental controls, filtering and safety settings**
- **Useful websites, resources and sources of support**

Please contact the office staff to book your place.

Pupils can join Seahorses or board games club free of charge while parents attend the meeting.

Fidget Toys

We have noticed an increased number of pupils bringing fidget toys to school as a toy rather than a coping mechanism, this includes squishy toys. Unfortunately, on a couple of occasions these have popped causing much mess and disruption, we are now asking pupils not to bring them in. If pupils need a fidget toy to support their learning Mrs Rowe has a number of discreet and mess free alternatives which pupils can borrow.

Special Awards

Star of the week

Reception & Year 1 – Liyu
For wonderful Maths work.

Year 2 & 3 - Alfie

For working hard on joining his letters.

Year 4 & 5- Grace

For working really hard to improve her spelling and remember all of her punctuation.

Year 9&10 Activities Week-Monday 29th June-Friday 3rd July

Following consultation with the students Mrs Thomas is planning a programme of events for the Year 9 & 10 Activity Week. More information will follow shortly.

Jewellery

Since our return to school after half term we have noticed that some pupils are not complying with our jewellery and make up policy. Pupils should only wear stud earrings, not hoops for safety reasons. False eyelashes, painted nails and nail extensions are not permitted in school.

Go Ride

Well done to the Year 5&6 pupils who took part in the Go Bike event at Carn Brea this week. They spent the morning developing their cycling skills and, in the afternoon, competed in a team pursuit event. Despite the rain showers they all enjoyed themselves and came home with silver medals.
