KS3 Residential – YHA Boswinger

Years 7 & 8 had a wonderful camp based on The Roseland. It has been action packed with a full range of activities. The teachers were really impressed with their energy, enthusiasm and behaviour throughout the camp. Thank you to Miss Chapman, Mrs Hawkins, Mr McGovern and Mr Paffett for accompanying them.

GCSE Exams

Year 11 begin their written exams on Monday 11th May. All stationary will be provided but we would ask that pupils bring a clear plastic bottle of water to each exam. All labels must be removed. If students would like to use a particular pen, highlighter or calculator (all formula and data must be cleared) these should be brought to school and will remain in the exam cupboard for the duration of the exam series.

Arrival and Departure to/from School

Please can we remind you that pupils should arrive at school for registration at 8.55am allowing a prompt start to the school day. This is even more important during the exam period so that morning exams can start on time at 9.00am. Year 11 will be registered earlier on exam days at 8.45am. Exams may continue past the end of the school day and on these occasions, we will request a quiet departure from school. Thank you for your support and cooperation in this matter.

PGL

Mrs Hawkins has sent specific information to parents of pupils who are attending the PGL residential. Pupils should arrive at school on Wednesday 13th May from 8.30am and be ready to leave at 8.45am due to a 9am GCSE exam on that day. Pupils should have their packed lunch and a refillable drinks bottle in their day bag. If you require any more information, please don't hesitate to contact Mrs Hawkins. We would appreciate any remaining forms being returned to school as soon as possible.

Library Workshop

Please see the attached flyer about a robotics workshop being held at Hayle Library. Children will build and program racing robots and put them to the test. The workshop is open to children aged 8 and above. There is limited availability so please do book.

Trelissick Road Closure

The bottom end of Trelissick Road will be closed until next Wednesday due to tree felling. Please allow a little extra time if you use the Water Lane route to and from school.
