

The Cornwall Independent School

Friday 13th March 2026

No: 22

Comic Relief – Friday 20th March 2026

Next week we are holding a non-uniform day for a donation of £2, pupils may also bring a soft toy to school as requested at School Council. We will hold a cake sale with items costing £1 at breaktime and also after school. We would be grateful for donations of cakes on Friday morning, please take these to the kitchen.

Penlee Gallery

Year 2&3 enjoyed a visit to Penlee Gallery in Penzance on Wednesday. We loved our train journey to Penzance before following a trail to explore Cornish Life. We all had a great time learning more about Humphrey Davy and his inventions.

Work Experience – Year 10

Work Experience will take place in the week beginning 18th May. Placements should preferably be confirmed before the Easter holidays. If students need any additional forms or support in securing a place please ask for help. Sue Willmott will also be happy to offer advice to students who are struggling with placements when she visits next week.

After - school clubs

Next week will be the last week of afterschool clubs for this term, Seahorses is still available in the last week of term.

Easter Competition

We will be holding a decorated egg competition this year. This can be a real egg, a picture, a papier mâché egg or any other egg themed art project. All entries should be taken to the Hall on the last day of term and left on the allocated table, they will be judged blind. Easter egg prizes will be given to winners and a small treat given to all entrants.

Swimming Gala

Well done to our Year 5 & 6 girls who took part in the Penwith Swimming Gala at Penzance Leisure Centre on Wednesday. They represented the school brilliantly, supported each other during their races and behaved impeccably. A special mention to Grace for winning gold in the butterfly.

Coose Trannack

The Coose Trannack Cross Country Race takes place next Saturday 21st March. Details were sent out with last week's newsletter but if you would like any further information, please don't hesitate to contact Miss Chapman.

Microwave use

Please can we ask that pupils do not bring meals that need to be heated in the microwave. There is a queue forming in the kitchen and this causes delays at lunch time. Pupils can bring a food thermos flask or choose a school dinner if they would like a hot lunch.

Special Awards

Star of the week

Reception & Year 1 – Teddy

For incredible swimming.

Year 2 & 3 - Lillian

For much improved focus and learning.
