## Acceptable Use Forms

Please can we ask that these forms are returned promptly. This ensures we know which pupils are allowed to be in pictures which may be used in the newsletter, promotional material, prospectus etc. The office is happy to provide copies.

## Work Experience – 18<sup>th</sup> – 22<sup>nd</sup> May 2026

Please can we ask that Year 10 students are actively seeking work experience placements. Once these are secured, please return the initial form and we will supply the required paperwork. If any student is struggling to get a placement, please get in touch and we will be happy to help.

## Uniform

All students should be attending school in full school uniform including a leather style school shoe every day. While we do now allow pupils to wear their own school coats, these must be navy or black with minimal logos.
